

Descendants of James Behanna

Generation 1

1. **JAMES¹ BEHANNA¹⁻⁴** was born about 1775 in Pennsylvania (Probable Location)⁴. He died between 1826-1827 in Fallowfield, Washington Co., Pennsylvania, USA⁴. He married **SARAH ???**. She was born about 1780 in Pennsylvania, USA⁴⁻⁶. She died on November 20, 1862 in Carroll, Washington Co., Pennsylvania, USA⁴.

Notes for James Behanna:

Although there are many references in family trees published on the internet alleging that James was born in Scotland, there is no documented evidence to that fact. Based on Bill Jones' research (e-mail to Douglas Detling, May 2013), it seems more likely that James was actually born in Pennsylvania. Here's Bill's answer to the question about James' birthplace:

"I believe that James was born somewhere in Pennsylvania, in spite of family lore that puts his birthplace in Scotland. I have seen NO evidence that supports the Scotland birth. I have done a lot of record searching by internet in Scotland, Ireland, Cornwall and the rest of England. After drawing all blanks on James himself in Scotland and all of the other countries, I backed up and searched for a supporting Behanna family line in Scotland. I used Ancestry, FindAGrave, ScotlandsPeople.gov.uk, National Archives of Scotland, FamilySearch.org, etc, etc. What I found is that Behanna is a uniquely American name. With very few exceptions, there are no Behanna families in the British Isles, particularly back in the late 1700's! If anyone has Scottish evidence, by all means, POST IT.

"So, what evidence exists that James was born in Pennsylvania: The 1850 federal census is the first census that lists place of birth of each person in each household. Unfortunately, James had already died in 1826 or 1827, so not much help there. However, that 1850 census for Carroll Township, page 26 of 35, does list Sarah Bahanaha, 60 year old female, living with offspring John, Margaret and Charles. Sarah's place of birth is ditto'ed from 9 lines above as Pa. Let's we think that it was just a case of a lazy census taker not asking the question, the places of birth of the two McMachan persons listed below Sarah are Ireland and Kentucky, respectively.

"The first year that the census reported the place of birth of the household members' parents was 1880. I was able to find 3 offspring of James and Sarah in that year's census's. All 3, in different townships, reported place of birth of BOTH parents as Pennsylvania. In all three cases, foreign born parents were listed on the same page, or in the case of Alexr, page before and page after - no lazy census takers. To me, that is pretty compelling evidence for Pennsylvania as James' place of birth. Let's see, could all 3 children in their 50's and 60's have a father born in Scotland and not know it. I don't think so! The three census's are as follows;

John Behanna age 54 Carroll Township, Washington Co., Pa. Page 2 of 42.

Alexr. Behana age 59 Sewickley Township, Westmoreland Co., Pa Page 62 of 67.

David Behanah age 66 Monongahela, Washington Co., Pa. Page 8 of 59."

Bill notes in an update (e-mail December 12, 2016) that the Fallowfield Township, Washington Co., Pennsylvania Census tax records for 1826-1827 for the James Behanna household does not list James, and lists Sarah Behanna as a "Widow." The same is repeated in 1827-1828. "The only logical conclusion is that James Behanna died in 1826 or early 1827."

Bill also provides compelling documentation that the archival family surname was not Behanna but Buchanan, but that James adopted a new surname at about the time he arrived in Washington County, Pennsylvania in 1804.

Bill also provides a method for deriving or estimating birthdates, used in this data base in absence of other information.

1800: Name shown in State census as James Buchanan

1810: Name shown in Census as James Bohanah; age 26-44: derived birthdate August 1764 to August 1784

1820: Name shown in Census as Jas Buhany; age 45 & older: derived birthdate before August 1775

Generation 1 (con't)

Notes for Sarah ???:

1810 Census shows age 26-44: derived birthdate range August 1764 to August 1784

1820 Census: Living with Jas Buhany in Fallowfield Township, Washington Co., Pennsylvania; Age 45 and older: derived birthdate range prior to August 1775

1830 Census: Living with Benjamin Bahnah in Fallowfield Township, Washington Co., Pennsylvania; Age 45 and older: derived birthdate range prior to August 1775.

1840 Census: Age 60-69: derived birthdate range June 1769 to June 1780

1850 Census: Age 60: derived birthdate range June 1789 to June 1790

1860 Census: Age 78: derived birthdate range June 1781 to June 1782

Headstone states she died November 1862 at age 78; age may be simply an estimate. If she was born in 1780 she would have been 45 when her last child was born in 1825, and 82 if she died in 1862.

James Behanna and Sarah ??? had the following children:

- i. JAMES² BEHANNA⁷⁻⁹ was born about 1806 in Fallowfield, Washington Co., Pennsylvania, USA⁸⁻⁹. He died after 1870 in Wheeling, Ohio Co., West Virginia. He married ELIZABETH DEGARMO. She was born in 1810 in Fallowfield, Washington Co., Pennsylvania, USA. She died on November 20, 1862.

Notes for Henry Bray Behanna:

Information on Henry Behanna's family and descendants derived from GEDCOM file prepared by Joy Gilchrist of Alum Bridge, West Virginia and sent to Douglas Detling, January 15, 1998. Henry was also known as "Harvey." In 1850, he is shown as Henry Buchanan (next to brother Alexandar Buchanan in households 1405 and 1406) in Washington, Fayette Co., Pennsylvania.

He was living in Carroll, Washington Co., Pennsylvania, during the 1860 and 1870 Censuses. Joy Gilchrist and Randy Schroder reviewed the 1860 Census of Washington Co., Pennsylvania. Henry Behanna lived in Carroll Township, Washington Co., Pennsylvania in the 1860 and 1870 Censuses. He had died by 1880.

The 1850 Census has his birth year as 1808. Ancestry on-line data: 1850. M432, 1,009 rolls. Washington, Fayette, Pennsylvania, roll M432_780, page 373, image 322. The 1870 Census (Ancestry on-line data, 1870. T132, RG29, 13 rolls. Carroll, Washington, Pennsylvania, post office Monongahela, roll 1462, page 381, image 127) has his birth year as 1807. The 1812 birth data is consistent with other research, and the 1860 Census (Ancestry on-line data. 1860. M653, 1,438 rolls. Carroll, Washington, Pennsylvania, post office Monongahela, roll M653_1191, page 176, image 177).

Randy Schroder and Douglas Detling have agreed that Henry B. Behanna was probably called Harvey as no other individual matches (e-mail January 25, 2007).

1840 Census: 30 to 39: derived birthdate range June 1800 to June 1810.

1850 Census: Age 42: derived birthdate range June 1807 to June 1808

1860 Census: Age 48: derived birthdate range June 1811 to June 1812

1870 Census: Age 63: derived birthdate range November 1806 to November 1807

Notes for Hannah Williams:

Major credit for tracing the descendants of Hannah Willilams belongs to many individuals, but especially Randy Schroder, who has exchanged data with Douglas Detling (most recently in January 2007). Randy's wife, Alice, is a Williams descendant.

Hannah was listed in the 1850 Census of Washington, Fayette Co., Pennsylvania as having been born in New Hampshire. This is probably incorrect. Additionally, this is the Henry Buckanan family (next to brother Alexandar Buckanan in households 1405 and 1406).

Henry Bray Behanna and Hannah Williams had the following children:

- i. SARAH³ BEHANNA was born in 1838 in Carroll, Washington Co., Pennsylvania, USA. She died after 1860.

Joy Gilchrist stated they later lived in Jacksonville, Green Co., Pennsylvania. Randy Schroder was unable to find them in the 1880 or later census.

 9. v. ELIZABETH BEHANNA was born in November 1846 in Fayette Co., Pennsylvania, USA. She died on November 21, 1916 in Victory Hill, Washington Co., Pennsylvania. She married Allen Campbell in 1870 in Carroll, Washington Co., Pennsylvania, USA. He was born in December 1833 in Pennsylvania, USA. He died in March 1913 in Carroll, Washington Co., Pennsylvania (probable).
 10. vi. ABRAHAM BEHANNA¹⁸ was born in January 1851 in Fayette Co., Pennsylvania, USA¹⁸. He died in March 1924 in Monongahela, Washington Co., Pennsylvania, USA¹⁸. He married Rebecca J. ??? in 1873. She was born in February 1856 in Pennsylvania, USA. She died in May 1933.

1860 Census: Age 42: derived birthdate range June 1817 to June 1818

1870 Census: Age 51: derived birthdate range June 1818 to June 1819

1880 Census: Age 59: derived birthdate range June 1820 to June 1821

Janet Williams Hinkley (in a letter to Douglas Detling January 22, 1998) noted that Sarah Jane Williams apparently separated from Alex Behanna about 1870, because the 1870 Census showed her as head of household with children, and in 1880 as living with one son. Later research showed Alex Behanna serving in the Civil War, and applying for a pension. Pension records showed he

Notes for Sarah Jane Williams:

The 1850 Census lists the family in Washington Township, Fayette Co., Pennsylvania, as "Buckanan" with Alexander, age 28 and Jane, age 30.

According to the 1850 Census, she was born in 1820 but this date conflicts with other Census records. 1850 Census (Ancestry online data): M432, 1,009 rolls. Washington, Fayette, Pennsylvania, roll M432_780, page 373, image 322.

She was living in Carroll, Washington Co., in the 1860, 1870 and 1880 Censuses.

In the 1870 census, Alexander is not with the family:

Dwelling 458, Carroll, Washington, Pennsylvania: Sarah Behanna, 52, Samuel, 27, Henry, 21, Robert, 19, Amos, 17, Mary, 15, Martha, 18 (Samuel's wife?), Louisa, 8 mos. (? daughter), John, 24, & John's wife, Ellen, 24. Dwelling 459 is James, 24, & wife, Mary, 28.

1880 Census (Ancestry online data): Carroll, Washington, Pennsylvania; Roll: T9_1201; Family History Film: 1255201; Page: 102.3000; Enumeration District: 237. She is listed as Mother in household of son James.

Major credit for tracing the descendants of Sarah Jane Williams belongs to many individuals, but especially Randy Schroder, who has exchanged data with Douglas Detling (most recently in January 2007). Randy's wife, Alice, is a Williams descendant.

60. **JAMES ALEXANDER⁴ BEHANNA** (Robert Layman³, Alexander², James¹) was born on October 24, 1874 in Carroll, Washington Co., Pennsylvania, USA. He died in January 1963. He married Olive ??? in 1909. She was born between 1887-1889 in Pennsylvania, USA. She died after 1930.

Notes for James Alexander Behanna:

There is a discrepancy in this family, according to Randy Schroder:

In the 1880 census, James Behanna is shown as 4 years old, living with brother John, 6, and father, Robert (widowed).

In the 1900 census, James A. Behanna, b. Oct 1876, is shown with father, Robert & his wife Rebecca.

In the 1910 census, James Behanna, 30, is listed as single & still in the household of Robert & Rebecca.

The 1920 census shows James A. Behanna & wife Olive with 5 children. Also, the WWI draft cards show James Alexander Behanna b. 24 Oct 1874.

This is possibly not the same James A. Behanna. Randy stated, "I am unable to find Olive & children Clyde & Mabel in the 1910 census."

He wrote (e-mail to Douglas Detling May 24, 2008): "Technically, my last name is just Behanna as my parents were not married when I was born. In fact, they didn't get married until sometime in 1997. Consequently, they were in the process of being separated when she died. So, by law, my mother and father both have the last name Mowery and I have the last name Behanna. It's a possibility I'll be getting it changed before I head off to college.

As of now, I live in Mansfield, Ohio in Richland County."

Notes for Joseph Wilson:

NEWBURY, Ohio - A contractor performing maintenance on a natural gas well was killed when excess pressure thrust part of a metal pipe into the air, striking his head, police say.

Joe Wilson, 49, of Atwater, was pronounced dead at the scene of the accident Tuesday, said Geauga County Sheriff Daniel McClelland. Wilson was one of three men repairing a leak in the well's holding tank for W. Pol Contracting Co. of Ravenna. The other workers were not injured. Newbury Township Police Chief Santo Battaglia said Wilson was hit in the head by a 2-inch piece of pipe that broke off in the blast. "The extent of his injuries were astronomical," Battaglia said. The workers followed procedure, Battaglia said, and shut off the gas at the main well head before beginning their work, which is supposed to relieve any excess pressure in the system.

"But, for some unknown reason, there was still excess pressure built up in it, causing it to blow off at the top of the storage tank," he said. The Occupational Safety and Health Administration and representatives from W. Pol and the owners of the well, Columbus-based Northwood Energy Co., were investigating. Investigators said the explosion did not involve any ignition or flames because it was an incident caused purely by pressure.
